Gwinnett Christian Terrace staff and ownership are thankful to all our residents, family and friends for your collaboration and patience during this lengthy health crisis. This community has a high level of vaccinated residents.

Vendors attending residents in their apartments are asked to mask. This community invites masking and maintains limited occupancy in some common areas. Thank you for your collaboration to comply with these safety guidelines.

This organization's position is subject to change as government health officials update guidelines. Should you have specific questions, please reach out to [gcterrace@gmail.com](mailto:gcterrace@gmail.com) and staff will respond promptly.
