

December 27th, 2021

Gwinnett Christian Terrace staff and ownership are thankful to all our residents, family and friends for your support and collaboration during this lengthy health crisis. This community has achieved a high level of vaccinated residents including the 3rd dose or booster that has been available in the later months of 2021.

During this holiday season, we ask all vendors, visitors and family adhere to CDC guidelines and respond to symptoms with quarantine and testing before entering the community. This community requires masking and limited occupancy in all common areas. Thank you for your efforts to comply with these safety requirements.

This organization's position is subject to change as government health officials update guidelines. Should you have specific questions, please reach out to gcterrace@gmail.com and staff will respond promptly.

Kyle Huhtanen
