

January 14th, 2021

Gwinnett Christian Terrace staff and ownership are thankful to all our residents, family and friends for your support and collaboration during the health crisis. As we enter 2021, the organization is working with health authorities to facilitate vaccination for residents and staff. While this step forward promises protection from the virus, the short term outlook requires ongoing vigilance to CDC guidelines and protocols. Ensuring residents are served in a safe and healthy environment is our greatest concern.

The following guidelines continue in this community for all residents, visitors, and vendors:

- Masks are to be worn in common areas by staff, residents, visitors and vendors.
- Maintain 6 feet of separation in your circulation and social interactions with others.
- We request only essential visitors and prohibit visitors under 18 years of age until further notice.

This organization's position is subject to change as government health officials update executive orders. Residents will be notified if other residents or staff report a COVID-19 diagnosis. Should you have specific questions, please reach out to gcterrace@gmail.com and staff will respond promptly.

Thank you for your collaboration and support during this period.

Kyle Huhtanen
Executive Director
Decatur Church of Christ Senior Housing Inc.
