

July 20th, 2020

Gwinnett Christian Terrace staff and ownership are thankful to all our residents, family and friends for your support and collaboration during the health crisis. As this crisis continues, the organization remains concerned for the spread of COVID-19. Ensuring residents are served in a safe and healthy environment is our greatest concern. This continues to be a vulnerable community during the spread of COVID-19.

The following guidelines have been adopted for this community for all residents visitors, and vendors:

- Masks are to be worn in common areas by staff, residents, visitors and vendors.
- Maintain 6 feet of separation in your circulation and social interactions with others.
- Residents are limited to 2 visitors to their apartment daily and we request no visitors under 18 years of age until further notice.
- We ask residents who are immunocompromised as defined by Georgia Governor Kemp's executive order 7-15-2020 not receive visitors and follow all requirements stated.
- Packages and deliveries will continue to be channeled through Front Desk staff.

This organization's position is subject to change as government health officials update executive orders. Residents will be notified if other residents or staff report a COVID-19 diagnosis. Should you have specific questions, please reach out to [gcterrace@gmail.com](mailto:gcterrace@gmail.com) and staff will respond promptly.

Thank you for your collaboration and support during this period.

Kyle Huhtanen  
Executive Director  
Decatur Church of Christ Senior Housing Inc.
